**A 6-month Mastermind Group  
With Robert Holden**

Success is 99% perspiration and 1% inspiration, but only if you like to make life tough for yourself. Imagine what good things could happen if you made space in your diary and your mind for 2%, 3%, 5% or 10% inspiration.

Robert Holden, *Success NOW* Calendar

Hello, my name is Robert Holden. This year's Success Intelligence Mastermind Group is open to twelve people. Why only twelve? Well, I want the program to be full of intimacy, depth, richness and creativity. I also want to give myself fully to you on the program, which includes your three one-to-one coaching sessions. My 6-month programs are the only place where I offer one-to-one coaching publically since first appearing on the *Oprah Winfrey Show* and working with Dove and The Real Beauty Campaign.

I've had the pleasure of running several Leadership Mastermind groups for companies and organizations. These groups have been successful because of the wholehearted participation of the members. The purpose of this Application Form is a) to ensure you are convinced this Mastermind Group is right for you, and b) to help my team and I create a bespoke journey for you. So please respond – write from your heart - to the questions below. I'll be in touch with you shortly.

- 1. What specifically attracts you to my S.I. Mastermind group?**
- 2. What would you most like to learn about on my S.I. Mastermind group?**
- 3. Please identify how you would like to grow on this program. Is there a specific focus, challenge or goal you would like me to address?**
- 4. Why are you a good fit for this S.I. Mastermind program? What skills and experience will you bring to your fellow members? Please include a brief CV (500 words max).**
